DIY DECORATION

Sliceform puzzle

Dodo Bird

Instruction sheet Read first!

Important! The cardboard and paper parts are fragile!
Please work carefully, don't squeeze or force the parts.
The illustrations will lead you through the process.

Lasercut cardboard edges make your hands
a little dirty. Especially with the neon and
white cardboard its recommended to clean
your hands occasionally during the build and
try not to touch the neon as much as possible
for a nice and clean final result.

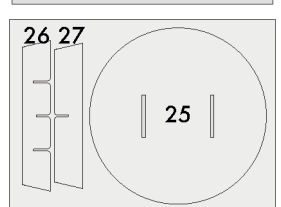

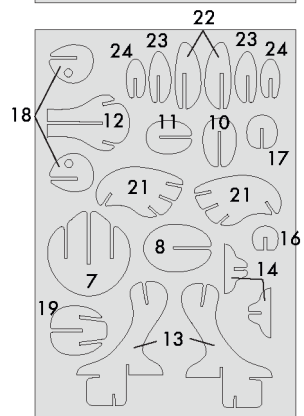

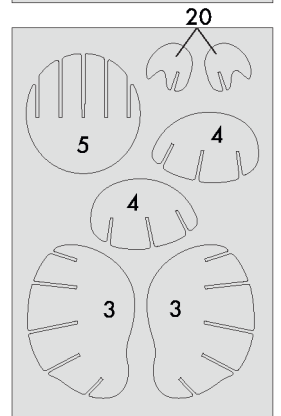

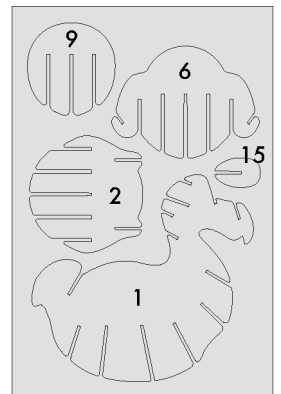

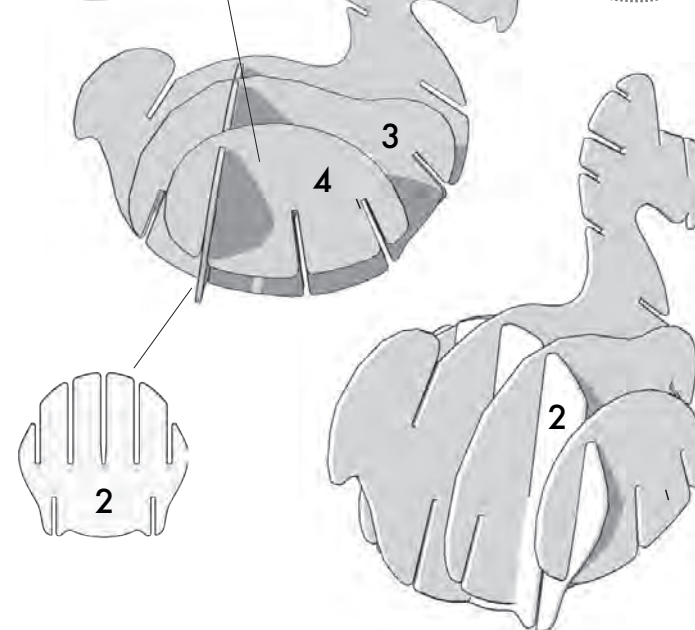

Find French & German
instructions and assembling
video's for more visual inspiration
on **Assemblishop.com**

Clean hands in this stage will be very
convenient for a nice final result!

1

Lobster

Squid

Giant Honey Bee

Hercules Beetle

Atlas Beetle

Stag Beetle

Colibri

Kingfisher

Swallow

Cat

Seahorse

Flamingo

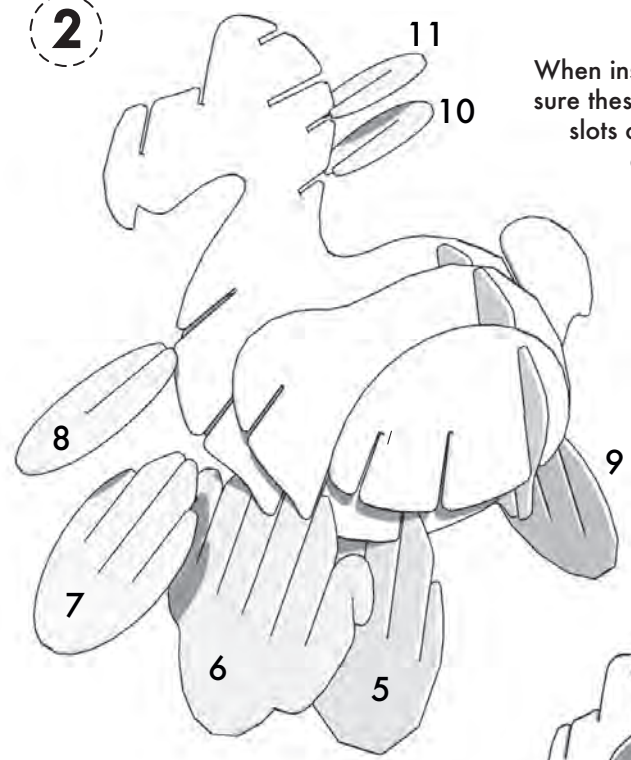

Dodo

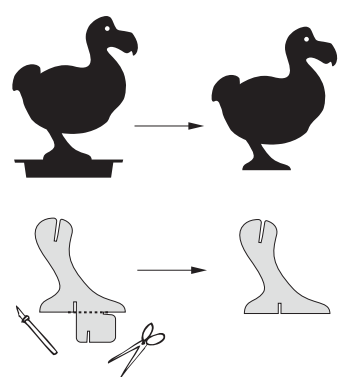

T-Rex

2

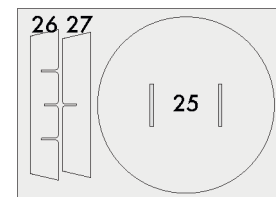

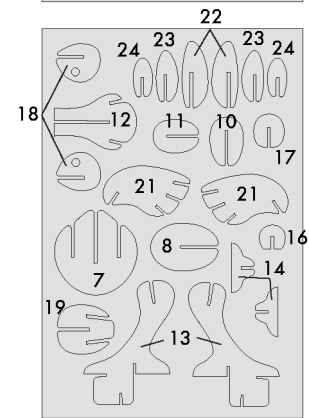

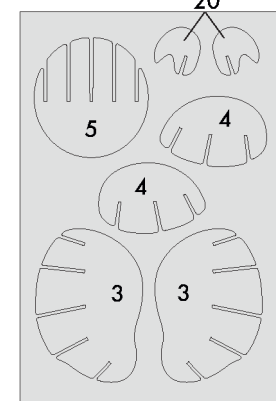

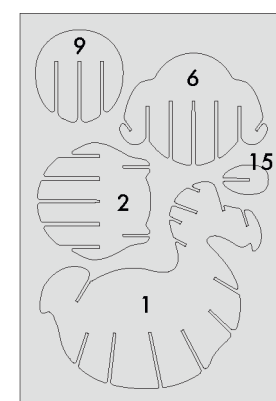

When inserting part 5 t/m 9, make sure these parts slide evenly into the slots of 1/3/4 to prevent any damage on part 2.

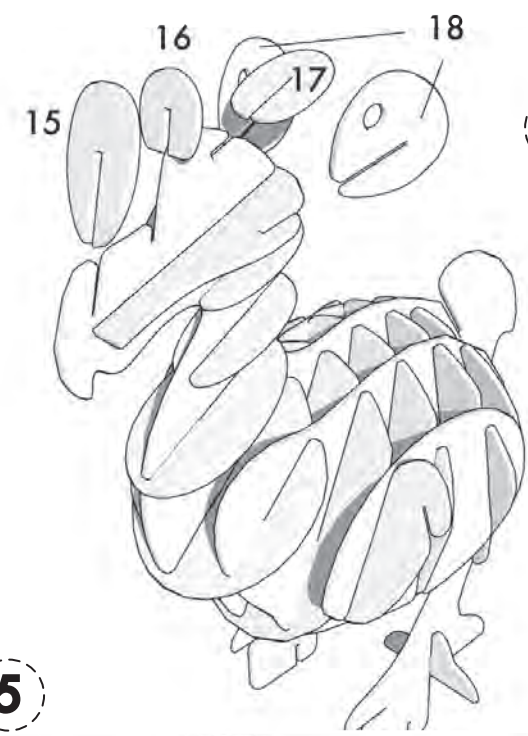

3

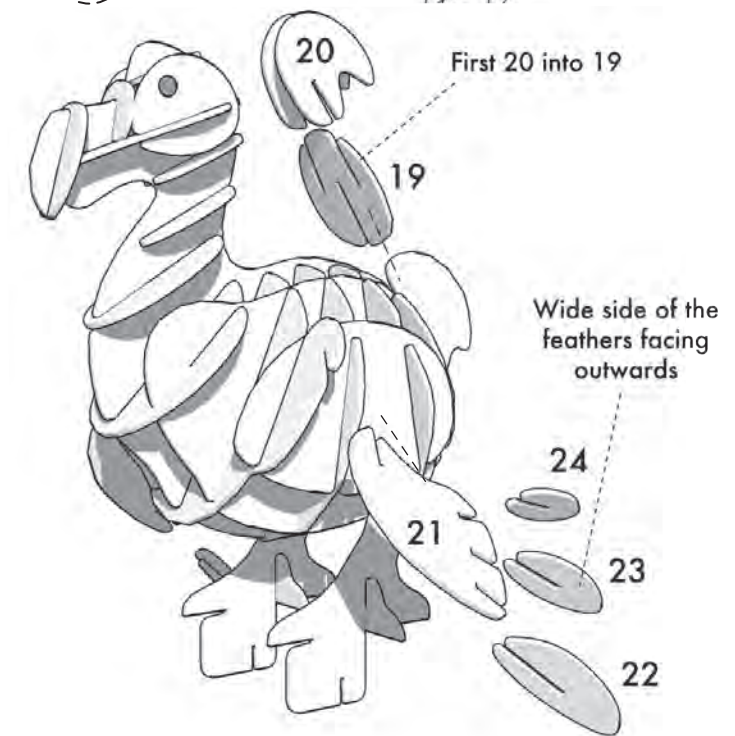

For the Dodo bird it is possible to remove the white cardboard display by simply cutting of this area of the feet. Use in best case a sharp crafts knife but scissors would also work.

DIY DECORATION

• Sliceform puzzle •

Dodo-Vogel

Gebrauchsanweisung Lesen Sie zuerst!

Wichtig! Die Teile aus Pappe und Papier sind zerbrechlich. Arbeiten Sie daher vorsichtig, drücken Sie die Teile nicht zusammen und drücken Sie nicht mit Gewalt. Die Abbildung führt Sie durch den Prozess.

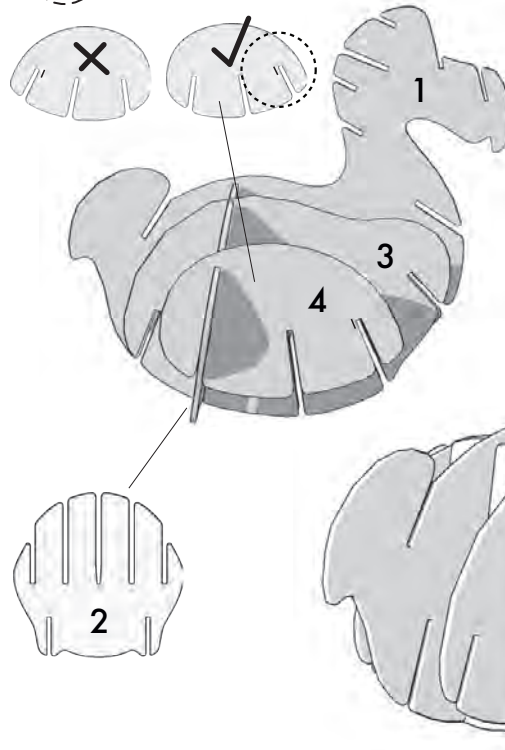

Lasergeschnittene Kartonkanten machen Ihre Hände ein wenig schmutzig. Besonders bei Neon und weißem Karton wird empfohlen, die Hände während des Baus gelegentlich zu reinigen und das Neon so wenig wie möglich zu berühren, um ein schönes und sauberes Endergebnis zu erzielen.

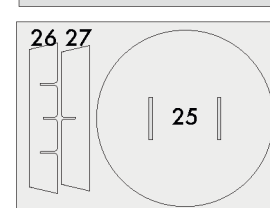

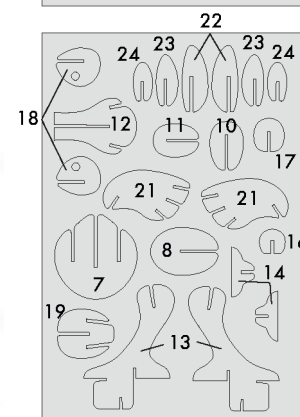

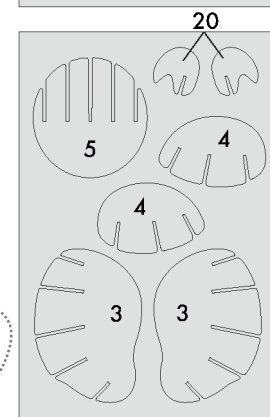

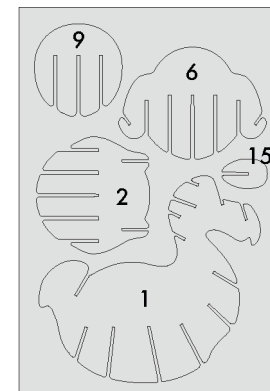

Weitere visuelle Informationen finden Sie in einigen Montagevideos auf **Assemblishop.com**

1

Saubere Hände in dieser Phase sind sehr praktisch für ein schönes Endergebnis.

Lobster

Squid

Giant Honey Bee

Hercules Beetle

Atlas Beetle

Stag Beetle

Colibri

Kingfisher

Swallow

Cat

Seahorse

Flamingo

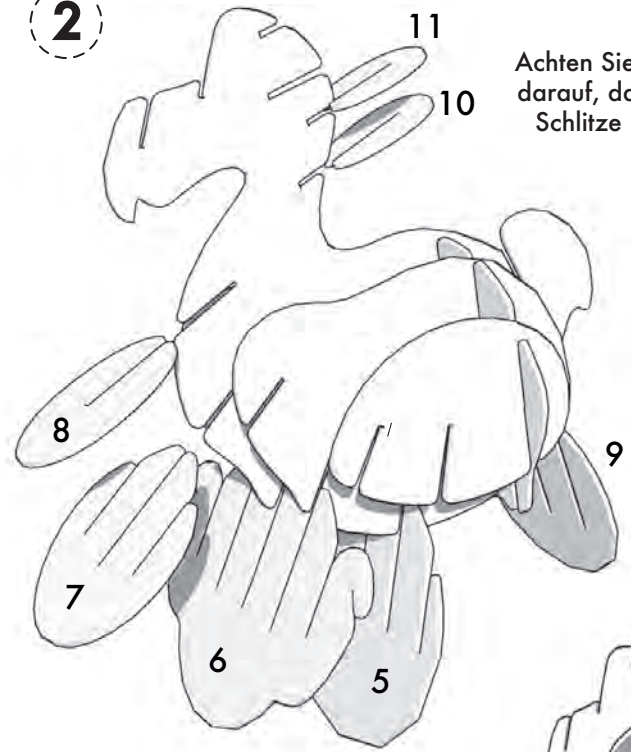

Dodo

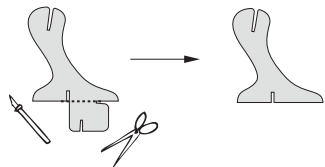

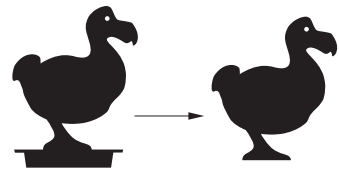

T-Rex

2

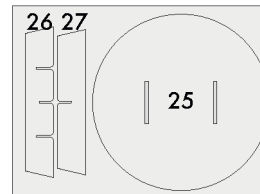

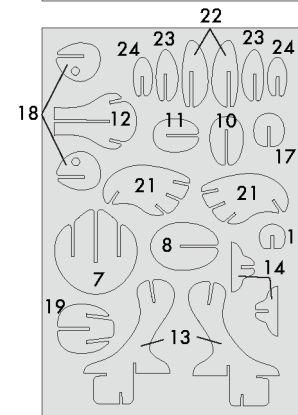

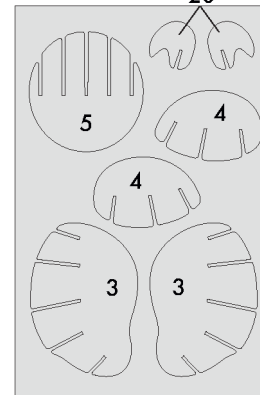

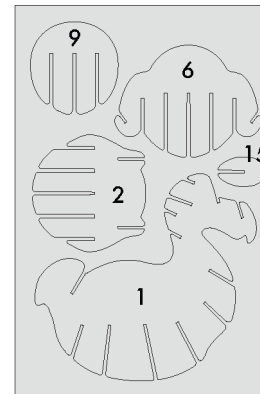

Achten Sie beim Einsetzen von Teil **5 bis 9** darauf, dass diese Teile gleichmäßig in die Schlitzte **1/3/4** gleiten, um Schäden an Teil **2** zu vermeiden.

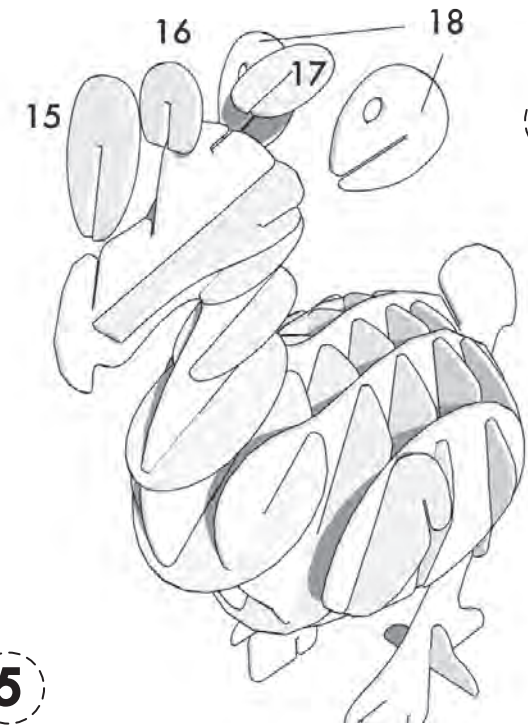

3

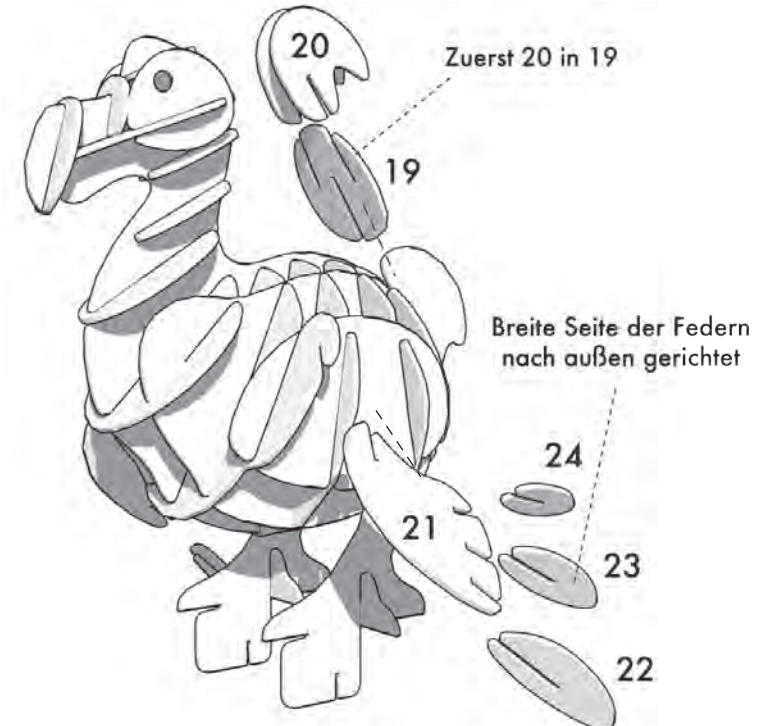

Für den Dodo-Vogel kann die weiße Kartonanzeige entfernt werden, indem einfach das entsprechende Fußstück abgeschnitten wird. Verwenden Sie im besten Fall ein scharfes Bastelmesser, aber auch Scheren würden funktionieren.

Oiseau Dodo

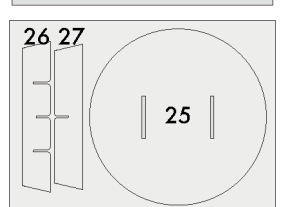

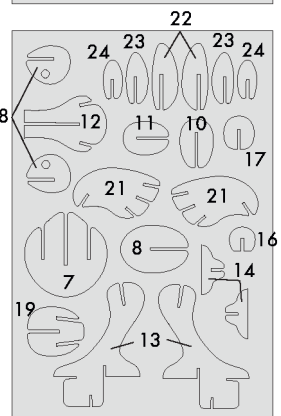

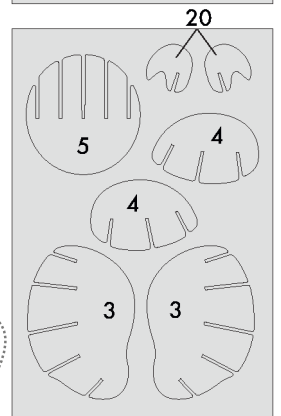

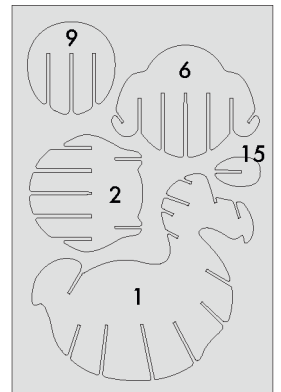

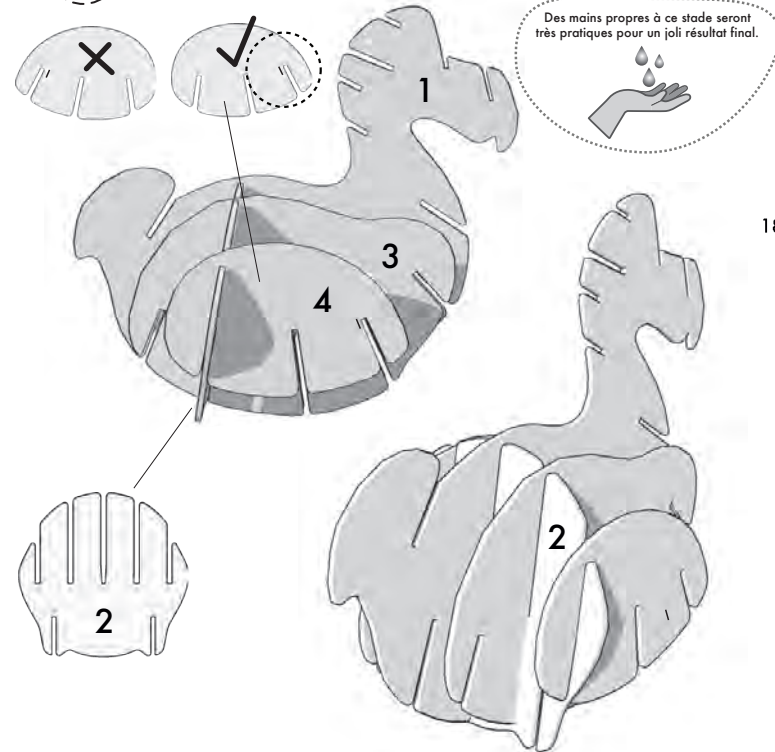

Feuille d'instructions À lire en premier!

Important! Les pièces en carton et en papier sont fragiles, veuillez donc travailler soigneusement, ne pas presser ou forcer les pièces. Suivez les étapes des illustrations.

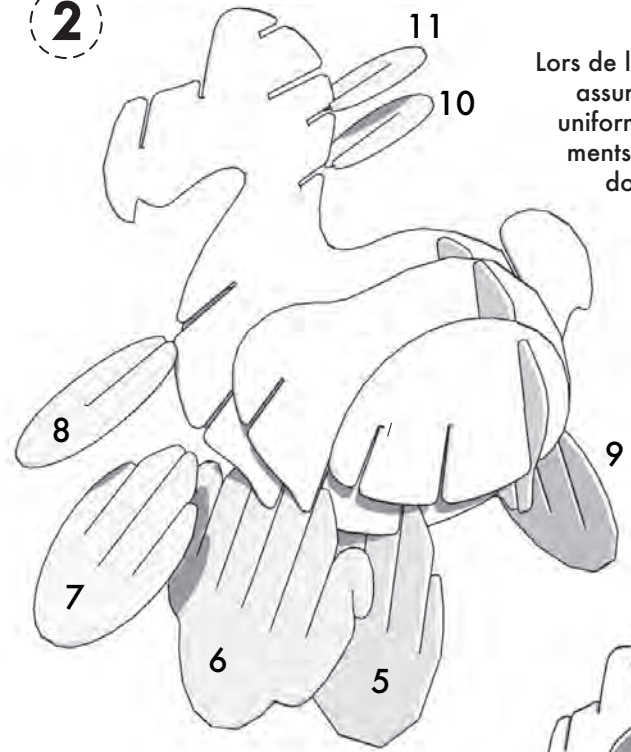

Il est particulièrement recommandé, avec le carton blanc et le néon, de nettoyer vos mains de temps en temps pendant la construction et d'éviter de toucher le néon autant que possible pour un résultat final propre et net.

Consultez quelques vidéos d'assemblage sur Assemblishop.com pour plus d'informations sur la vision.

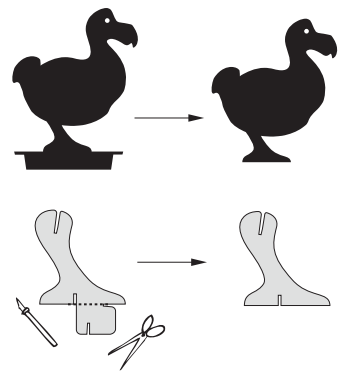

2

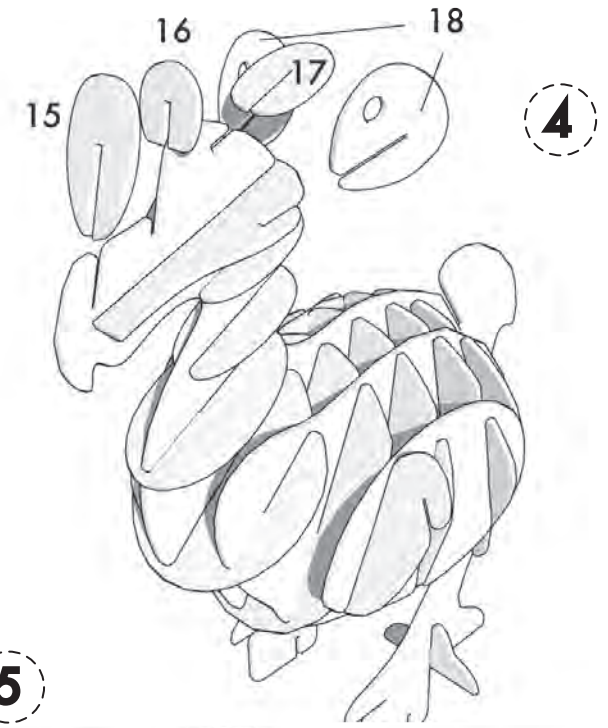

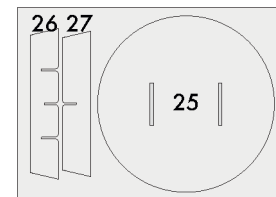

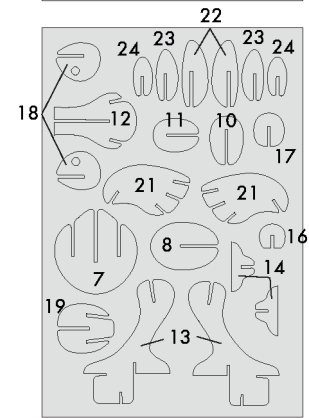

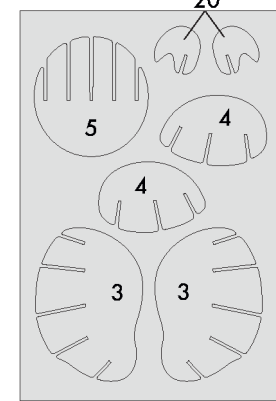

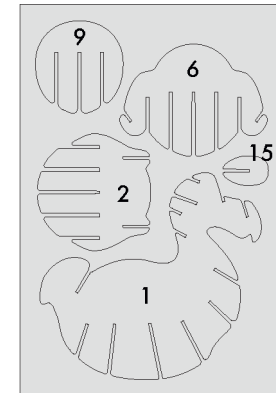

Lors de l'insertion des pièces 5 à 9, assurez-vous qu'elles glissent uniformément dans les emplacements 1/3/4 afin d'éviter tout dommage à la pièce 2.

3

Il est possible de retirer l'affichage en carton blanc du Dodo en découpant simplement cette zone des pattes. Utilisez de préférence un couteau de précision, mais des ciseaux feraient également l'affaire.
